1. Patient identity and demographic details are crucial for a correct report. Kindly check your Name / Age / Mobile number & Email ID on the test requisition form and receipt.

2. In case of collected specimen(s) referred to AGILUS / collected by patient, it is presumed that the sample belongs to the patient named or identified in the test requisition form. The referring Lab /collection authority is responsible for appropriate sample collection as per pre-requisites, its labelling and transport.

3. A fresh sample may be requested if the Quality or Quantity of received sample is unsatisfactory

4. AGILUS Diagnostics is committed to deliver reports on time. However, in unforeseen circumstances such as non-availability of kits / equipment breakdown / natural calamities / technical downtime or any other unforeseen event report may be delayed. We aim to keep this to minimal.

5. Kindly share all clinical details along with the specimen for accurate diagnosis. AGILUS Diagnostics may request for additional information for clinical co-relation as & when required

6. Tests once registered cannot be CANCELLED!
